DAY1

# Get to Know the flow of Japanese job hunting TALK CAFE

~Let's ask job hunting professionals and seniors!~

Guests

We offer job hunting advice, including how to find ideal companies, identify an individual's strengths, and tips for self-introduction. Mock interviews are also available.

Share the fun and rewarding aspects of our job, and what we've learned from our work experiences! Apply this knowledge to help with your future job hunting!

Seniors (former international students) working in Nagoya

Career consultant

This event allows you to learn about job hunting in a fun way while enjoying coffee and snacks, asking questions, and seeking advice. Even if you haven't started your job search yet, feel free to drop by!

Company hiring managers will share the ideal candidate's profile!

Recruitment expert: Company hiring manager

DAY2

## Tour Get to Know Nagoya's Companies and Industries

~Let's find a company/industry that suits you!~

Overview of the Day

Participants will be divided into teams of about five people and will visit the booths of three or more companies they are interested in. At the booths, you can listen to company introductions and explanations of their products and services. Ask plenty of questions to find companies that seem to fit you and spark your interest! Staff will guide you, so feel free to participate without any concerns.

Schedule for the Day

You can participate at any time (AM/PM), as many times as you like, during the three days from 10/30~11/1. Please check (✓) the desired dates on the application form.
